The proposition statement enclosed, shows an extra cost of Rs 875- per month or Rs 10,500 per annum, as a result of the proposal to revise the scale of pay of the 31 Octroi Managers from Rs 20-30 EB 2-40 to Rs 30-1-40 EB 2-50, and also to give them a Cycle allowance of Rs 5/- each p m The reason for the revision is that the present scale does not benefit the Officials much particularly those recruited as Bill Collectors and subsequently transferred as Managers, in spite of their long service of 8 or 9 years since the proposal to bring the scale of pay of Managers ~~was~~ on a par with that of the Bill Collectors Rs 30-1-40-2-50 The Pdt Municipal Managers also have to [illegible]

Sir,

Revising the scale of pay of Octroi Manegars from 20-1-30 E B 2-40 to 30-1-40 EB 2-50 and payment of cycle allowance of Rs 5/- P M to them

---

In forwarding herewith a copy of the resolution passed by the Council at their meeting held on 6-12-48 approving the revision of scale of pay of the Octroi manegars from 20-1-30-2-40 to 30-1-40-2-50 and payment of cycle allowance of Rs 5/- P M I have the honour to state as follows

Many of the Manegars were recruited long back The qualifications prescribed for the posts of both Octroi manegars and the bill collectors were the same and they were freely being transferred from one section to another, as the scale fixed for some of the manegars and Bill Collectors was 20-1-25 In the recent general revision of the scales of pay, the recent scale sanctioned by Government in their order No L 1810-1/M1 105-48-15 dated 24-8-48 the scales of octroi manegars and bill collectors were fixed at different rates, viz , 20-1-30-2-40 and 30-1-40-2-50 respectively, with a view to keep down the cost It is now represented that this difference in scales is working as a great hardship in as much as some of the officials who were originally recruited as bill collectors and subsequently transferred as Manegars get only a small weightage of Rs 2/- or Rs 3/- in grade 20-1-30-2-40 inspite of their long service of 8 or 9 years whereas persons recently recruited as bill collectors get Rs 30/- and above They have also to do a lot of itineration work to and fro ~~from~~ their residence to the Ookads which are situated at the

extreme end of the City and to the octroi office for the remittance of collection etc , and that they are not being paid any conveyance allowance inspite of their repeated representations in the matter for the past several years

The Council considered this question in detail and taking into view the hard work turned out by these officials on account of whose industry the octroi Revenues are increasing year by year, resolved at their meeting held on 6-12-48 that the scale of pay of octroi managers be fixed at Rs 30-1-40 EB 2-50, with the conveyance allowance of Rs 5/- each per mensum The average extra cost involved in the above proposal comes to Rs 10,500/- per annum, as noted in the enclosed proposition statement

I therefore request that sanction of Government may kindly be accorded for the Revision of scale of pay of the octroi managers from Rs 20-1-30 EB 2-40 and Rs 30-1-40 EB 2-50 and payment of cycle allowance of Rs 5/- P M as resolved by the Municipal Council

Sir

With reference to the President's letter No C&C 264/48-49 dated the 3rd January on the above subject, I am directed to state that as against the existing 31 posts of octroi Manegars, the proposed scale, as shown in the statement appended to the application, provides 41 Manegars exceeding the existing number by 10 This discrepancy may be clarified
